## **Church Prayer Requests**

**Revival:** Please be in prayer continually that God would see fit to glorify Himself through us, in our community. That God would grant us boldness to share the gospel with our friends, neighbors and co-workers. Remember that the gospel is successful even if God uses it to harden those who hear the message. Be praying that God would grant us, to see His resurrection power as we herald the good news of the kingdom, that we might be blessed to see elect sinners won to repentance and faith in Christ.

**New families:** We believe that the church is not made up of consumers, but is rather a community of saints who join together to corporately worship God. The bible tells us that it is God who brings the increase and that those who are faithful with a little will be entrusted with much. Please join us in praying that God would add to our number as He continues to take glory for Himself through the faithful preaching and teaching of His Holy Word.

### **Fellowship Meal**

The first Sunday of the month we have a fellowship potluck immediately following worship. Please plan on staying for this time of food and fellowship and using the time to get better acquainted with our faith family.

OUR NEXT FELLOWSHIP MEAL WILL BE: **3-6-2016**

There is an offering box in the back of the sanctuary  
for your tithes and offerings

*Honor the LORD with your possessions, and  
with the first-fruits of all your increase. ~ Proverbs 3:9*

***Please enter the sanctuary quietly before the service and turn off  
your cell phones***

We believe that worship is our priority as redeemed human beings. Therefore, we strive to maintain a joyful yet reverent atmosphere. **We encourage parents to train their children to sit through worship with the adults and ask that parents would refrain from giving children paper and pens to color or draw during the worship of God.** For very young children and nursing mothers we have a cry room in the back of the sanctuary.

**Hearing Assistance:** Headphones are available from the ushers.

**Piano prelude before service:** When you hear the piano, please take your seat. This time is for heart-preparation for worship
